Deliver Us From Evil

By David Baldacci

Evan Waller is a monster. He has built a fortune from his willingness to buy and sell anything... and anyone. In search of new opportunities, Waller has just begun a new business venture: one that could lead to millions of deaths all over the globe.

On Waller's trail is Shaw, the mysterious operative from *The Whole Truth*, who must prevent Waller from closing his latest deal. Shaw's one chance to bring him down will come in the most unlikely of places: a serene, bucolic village in Provence.

But Waller's depravity and ruthlessness go deeper than Shaw knows. And now, there is someone else pursuing Waller in Provence—Reggie Champion, an agent for a secret vigilante group headquartered in a musty old English estate—and she has an agenda of her own.

Hunting the same man, unaware of each other's mission, Shaw and Reggie will be caught in a deadly duel of nerve and wits. Hitchcockian in its intimate buildup of suspense, and filled with the kind of breathtaking plot turns and remarkable characters that are David Baldacci's hallmark, *Deliver Us From Evil* is the most gripping thriller of the year.
