### *Dead In the Family : A Sookie Stackhouse Novel*

By Charlaine Harris

After enduring torture and the loss of loved ones during the brief but deadly Faery War, Sookie Stackhouse is hurt and she's angry. Just about the only bright spot in her life is the love she thinks she feels for vampire Eric Northman. But

And as the political implications of the Shifters coming out are beginning to be felt, Sookie's connection to the Shreveport pack draws her into the debate.
